

CDPA DRESS CODE

GEARED TO DANCE is owned by CDPA Director, Kathryn Austin and therefore is stocked in accordance with CDPA Dress Code requirements.

The primary purpose of Geared to Dance since moving to Oakland in 2011 has been to support the dancewear needs of our clientele.

If we do not have what you are looking for, we are always happy to order for our CDPA students.

We offer these conveniences to our CDPA families and appreciate your loyalty; here your specific needs are our priority.

To ensure that your child is dressed properly and to maintain continuity, we discourage CDPA students from purchasing dancewear at area stores or online.
